ARTIST BIO

Lost in Beijing is a multi-genre Producer/ DJ duo, composed of New Yorker Ethan Serjak and Shanghai student Rugby Scruggs. Ethan's background in IDM, Neuro, and Melodic Dubstep seamlessly merges with Rugby's affinity for all things heavy Bass Music. This innovative new duo shared the stage for the first time in the summer of 2018, and has since played alongside the likes of A\$AP Ferg, Ghastly, Tisoki, Kompany, Eliminate, Inf1nite, Twine, YOOKE, MiTiS, Moonboy, Warz, Sihk, Vesk Green, and many more, as well as headlined their own shows in Shanghai, Hangzhou, Guangzhou, Inner Mongolia, and more. The dynamic duo burst into the Chinese festival scene in late 2019, with official performances at both Auto Super Bassland Ningbo, and EDC Guangdong. The two have relentlessly prepared for their massive 2020 release schedule, featuring everything from silky-smooth Lofi to neck-breaking Dubstep and Trap, all with a unique Lost in Beijing twist. Catch the two performing across the United States and China in a city near you!***

***Currently only Rugby performs in China, as Ethan is based in New York
